

TAURUS

PORTABLE RESTROOMS

BACKED BY OUR
10 YEAR
GUARANTEE*

SATELLITE has a long tradition of building products designed around timeless principles: STRENGTH, LONGEVITY, LOW MAINTENANCE, COMFORT, and INNOVATIVE INDUSTRIAL DESIGN. Principles that have created industry-leading portable restrooms – easy to maintain, pleasing to use.

TAURUS has all the features guests want, and all the strength operators need. Guests love the comfort and good looks. Operators love the ease of service, low maintenance cost and long life span. Whether planning your next special event or preparing for a new building project, Taurus is designed and built to go the distance.

*Subject to prorated adjustment

WHY CHOOSE TAURUS?

- Form-fitting 80-gallon tank provides greater coverage and usable room
- Synergy innovated Pyramid Sump provides more waste coverage with less chemical and water use
- 4 heavy-duty plastic hinges which prevent warping and rusting
- Bottom to top airvents pull more clean air up for a fresher restroom
- 3-roll toilet paper dispenser – less maintenance, no more wasted rolls

WHY GUESTS LOVE IT

- Spacious with plenty of headroom to accommodate guests of all sizes
- Superior ventilation keeps unit fresh even with high use and hot climates
- Hover Handle allows guests to have a "touchless" restroom experience
- MORE standard features (e.g. mirror, corner shelf, gender indicators, etc) than other units on the market
