

BOUDOIR

Perfect for weddings
and VIP events

When you're looking for a special-event class portable restroom at an affordable cost, look no further than the Boudoir. Built within the shell of an Enhanced Access Unit (EAU), this roomy (61" X 61"), yet-manageable unit offers the epitome of comfort in a non-trailer-based portable restroom.

Features Include:

- 40-gallon flip-top waste tank
- Hand pump flush operation
- Available with a recirculating flush system
- Available with a fresh flush system
- Available with a combo flush system
- Toilet seat and cover
- Urinal if desired or excluded for women's designation
- Two-roll toilet paper holder with rod and padlock
- Pro-22 internal hand wash station
- Promount board with soap dispenser, mirror and paper towel dispenser
- Coat hook
- Courtesy shelf
- Motion-activated light
- Toilet seat cleaner
- High molecular-weight material with extra UV protection ensures that your units will continue to look new through years of work
