## 28' FLEX | 8-STATION

Lightweight, spacious and beautiful describe this 28' Flex. The Flex 8-Station portable restroom trailer offers you and your customer's unequalled flexibility as well as many unique features. It can be configured for male/female use in a 2+6, 4+4, or 8-station floor plan depending on gender requirements.

As with every Satellite Suites trailer it is designed to provide long-lasting service by preventing water damage, mold, mildew or lingering tank odors which reduce the appeal and profitability of your trailer.
