

CLEANSING, EMOLLIENT AND MOISTURIZING

BULK SOAP

ENRICHED LOTION SOAP

WHY BULK SOAP? ENRICHED LOTION SOAP

Safe-T-Fresh's Enriched Lotion Soap is cleansing, emollient and moisturizing, leaving your hands feeling fresh, soft and smooth. Due to the recent high demand of soap, Safe-T-Fresh is now supplying bulk quantities of their enriched lotion soap in 55-gallon drums and 275-gallon totes. Simply save and refill your old soap and sanitizer pouches with the Safe-T-Fresh's bulk enriched lotion soap. Now available in pink or clear.

*REFILL OLD POUCHES

PRODUCT DETAILS

BULK SOAP

Soothes and softens skin

Available in pink or clear

Supplied in 55-gallon drums and 275-gallon totes

Bulk solution can be used to refill empty soap/sanitizer bags

GOATTHROAT PUMP

Pressurize container in a few strokes of the plunger

Adjustable flow rate up to 4.5 gallons per minute

One-touch flow control dispenses liquids at a controlled rate

WHY GOATTHROAT PUMP?

Constructed of 100% non-reactive polypropylene, GoatThroat pumps are engineered for maximum safety and durability and designed to handle almost any liquid.

GoatThroat pumps work by pressurizing a container to dispense liquids. **Installs in seconds** to quickly move between containers.

Siphon tubes are adjustable from 12 to 36 inches and the pump can be used on containers with either externally or internally threaded neck openings allowing it to **fit most containers**.
