# HANDISTAND

The low-cost HandiStand will pay for itself in half the time and cost less to maintain than most other hand sanitation stands. The HandiStand is made from unbreakable molded polyethylene that can withstand the force of vandals and nature so you can keep renting it year after year. If faster profits and long-term benefits are what you want from a hand sanitation stand, then Handistand will deliver.

BASE HOLDS UP TO 200 LBS OF WATER

# SANITIZER STATION

Satellite's Hand Sanitizer Station is the perfect solution for crowded venues, special events, or job sites. Cleaning hands frequently helps to reduce the spread of bacteria and germs that cause sickness. The sanitizing dispensers are conveniently spaced around the stand to allow simultaneous use. Three of the dispensers are mounted at standard height. The fourth dispenser is mounted at an ADA-approved level.
