

MILLENNIUM INTERIOR

ADA | SINGLE STATION

Our single-station ADA utilizes the latest technology, including our unique vacuum-flush system, remote controlled electronic jacks and lightweight, modular ramp. And the best news is that it can be set-up and torn-down by one person, saving labor costs.

ADA PLUS 2 | 3 STATION

Satellite's ADA+2 is great for events. One person can easily set-up or take-down the trailer in 10 minutes! That means you can manage your events with fewer people and still offer exceptional service. The feature event organizers like best is having two full-sized unisex bathrooms in addition to the comfortable ADA bathroom.
