

28' | 11 STATION

## COMMERCIAL

Durability is the key feature of our Commercial Duty restroom trailer, but you will also notice the interior design is nice enough for a special event. We built it to accommodate operators who have mixed uses, from oil fields to bridal events, using heavy-duty, waterproof materials in a color palette acceptable for bikers or brides.

*\*Commercial Interior is available in all trailer sizes.*

## 28' | 11 STATION

Satellite Suites has created a beautiful 28-foot, eleven-station trailer for high traffic events. This trailer has five private stalls and two sinks for the women and four urinals, two stalls and two sinks for the men.

Both the men's and women's areas are equipped with an entrance and exit door to create a safe, even flow of traffic. The common areas are very large and spacious, giving users a comfortable environment to share.
