

# WCA FLUSH KITS

FREEDOM & LIBERTY

## HAND FLUSH | RECIRCULATING

The Western re-circulating flushing system is a quick and easy flushing upgrade to Satellite's wheelchair accessible restrooms. Satellite's re-circulating filter system prevents waste from being pumped back through the bowl. Leaving it looking fresh and clean after each use. The western hand flush pump system fits both the 35 gallon and 68-gallon waste tanks.

## HAND FLUSH | FRESH FLUSH

If you are looking at making your Liberty restroom more family friendly, then the Western Fresh Flush is a great upgrade for you. The western hand flush pump system easily attaches to the freshwater tank on the Pro-22 handwash sink giving your customers a full day service for both handwashing and flushing.

# STANDARD FLUSH KITS

GLOBAL, AXXIS, TUFWAY, MAXIM 3000, ASPEN, AND HIGH RISE

## FLAPPER BOWL

This unique flush system features a plastic flapper bowl that hides waste from view and seals tight to reduce odor. Retrofit any of Satellite's standard units and some specialty units into a flushing unit with the versatile flapper bowl. Flapper bowls can be installed as a fresh flush if the Pro-22 sink is included or recirculating flush system if no sink is present. The flapper bowl flush system is available with a hand or foot pump option.

\*Flapper bowl does not fit Axxis or Aspen portable restrooms. Foot Flush option is not available on High Rise portable restroom.

## WESTERN BOWL

The Western re-circulating flushing system is a popular option for customers since it can be installed quickly to easily upgrade any of Satellite's standard, wheelchair accessible and many other portable restrooms into a flushing unit. Satellite's re-circulating filter system prevents waste from being pumped back through the bowl. Leaving it looking fresh and clean after each use. The western bowl flush system is available with a hand or foot pump option.

\*Foot Flush option is not available on HighRise portable restroom.

## FLIP TOP TANK

Satellite's Flip Top tank has a powerful nozzle flushing system. This unique system is operated by a low-maintenance hand pump installed on the waste tank deck or foot pump installed into the plastic rotomolded skid. Using fresh water from the Pro-22 sink to flush the waste, each user gets that at-home experience in a portable restroom.

\*This tank fits Satellite's Axxis and Vantage rotomolded base portable restrooms.
