

# Holding Tanks

## Why?

Increase your rental business with specially built holding tanks from Satellite | PolyPortables. In addition to adding immediate profits to your business, these strong, impact-resistant polyethylene tanks will provide many years of dependable service. Satellite | PolyPortables's holding tanks are designed to stack higher, resist cracking and decrease wear-through from sliding and dragging. Fittings in the 300 gallon tank are molded in, not spin-welded, for greater strength. And all ports are recessed to guard against breakage
