LAUNDRY TRAILER | 8 STATION

Satellite Suites would like to introduce the 24' 8-Station Laundry Trailer. Built to accommodate large groups of service workers and people in disaster relief situations. Eight Samsung Stackable washer/dryer units, two folding stations and one laundry sink outfit the trailer. The open floor plan allows for people to flow easily in and out of the trailer, maximizing the amount of productivity.

**Requires fresh water and wastewater connection.
No on board tanks.*
