SLIMMATE 3

This compact in-unit sink has a water-conserving "fan spray" nozzle and still has a generous amount of fresh water for a high number of washes per fill. The foot pedal is positioned so users can operate the unit easily and get a thorough washing with limited pumps.

SPECIFICATIONS

HEIGHT - 38.5" FRESHWATER - 10 GAL
 WIDTH - 19" NUMBER OF USES - 200
 DEPTH - 8" WEIGHT - 13.2 LBS

SANITIZER STATION

SAT | POLY

Satellite's Hand Sanitizer Station is the perfect solution for crowded venues, special events or job sites. Cleaning hands frequently helps to reduce the spread of bacteria and germs that cause sickness. The sanitizing dispensers are conveniently spaced around the stand to allow simultaneous use. Three of the dispensers are mounted at standard height. The fourth dispenser is mounted at an ADA-approved level.

HANDISTAND

The low-cost HandiStand will pay for itself in half the time and cost less to maintain than most other hand sanitation stands. The HandiStand is made from unbreakable molded polyethylene that can withstand the force of vandals and nature so you can keep renting it year after year. If faster profits and long-term benefits are what you want from a hand sanitation stand, then HandiStand will deliver.
