

MILLENNIUM

The array of soft, cool colors and beautiful styling used in our Millennium restroom trailer will elevate the mood of any occasion. With its beautiful smooth light gray walls, built in vessel sinks and shaker style stall doors, you might think we traded styling for durability. Not so. All the materials are completely waterproof (wood trim, cabinet faces, and wood doors are not waterproof). Every item, from the solid vanity top and transit grade textured floor to the seamless white fiberglass ceiling, will maintain its beauty and charm year after year.

**Millennium Interior is available in all trailer sizes and can also be upgraded to the Millennium Ultra (shown on cover and back).*
