

# Special Needs Hand Washing

The SuperMate meets all ADA requirements for special needs hand washing.

## SUPERMATE

Here are some of the reasons why the SuperMate is the ideal answer for special needs hand washing.

- Simple operation, hand-operated water pump and soap dispenser.
- Fully ADA compliant.
- Mounts to any fresh water source.
- Works perfectly with the SuperTwin Hand Wash station – mounts conveniently on one side.

Entry and exit on the back of the SuperMate allow fresh water in and gray water out by attaching 1/2" diameter hoses (not included).

Works perfectly with the SuperTwin Hand Wash station – mounts conveniently on one side
