

## SERVICE MODULE WARRANTY

Satellite Industries Inc hereby warrants to the original purchaser that the integrity of the vacuum tanks will be free of manufacturing defects in materials and workmanship for a period of three years from the date of shipment. If upon examination by Satellite Industries or our representative any part or parts are determined to be defective Satellite will provide free of charge the repair or replacement of said items. This warranty is subject to the following exceptions and limitations.

- Customer Responsibility: The customer shall be responsible for normal maintenance and minor adjustments of the products. Notification must be made to Satellite Truck Department of the need for warranty repairs. Satellite will not be liable for transportation costs to and from repair facility, loss of revenue from down time or cost of rental equipment.
- This warranty does not apply to components or accessories not manufactured by Satellite which carry a manufacturers written warranty.
- This warranty applies only to products placed in normal use. It does not apply to any product that has been abused, neglected, exposed to abrasive or corrosive chemicals, damaged in an accident or failures caused by lack of routine maintenance. Items that have been altered or repaired by anyone other than Satellite or a repair facility authorized by Satellite will also be excluded from warranty coverage.

Aluminum Tanks will be covered by the same terms as mild steel tanks with the following exceptions.

- Tanks transporting product with a PH factor below 3 or greater than 9 (i.e. Lime) will be excluded from coverage. Refer to item number three listed above.
- ALL Tandem axle chassis must have air ride rear suspension to be considered for warranty.
